

BIRLA OPUS STYLE SUPER SMOOTH

1. Product Background

1.1. About the Product

Birla Opus Paints, a division of Grasim Industries Limited (herein referred to as “Company”) introduces *Birla Opus Style Super Smooth* (“Product”) which is an *interior economy* acrylic distemper with 12 months warranty.

1.2. Application Guidelines

- a. This Product is to be used on *interior* masonry surfaces only.
- b. All aspects of surface preparation and application guidelines as detailed below and/ or available in the latest Product Information Sheet are to be strictly followed:
 - i. The Product is to be used for vertical interior walls and interior roof masonry surfaces only.
 - ii. It needs to be mandatorily ensured that the surface is clean and dry and all cracks are filled as a pre-painting step.
 - iii. Before painting it needs to be mandatorily ensured that moisture level of surface is below 16%. In case of any deviation, appropriate treatment of fundamental cause of dampness needs to be carried out before painting.
 - iv. Cracks up to 5 mm width and 3 mm depth on the surface are to be filled with Birla Opus Alldry Crack Master, applied as per instructions given in the latest PIS before application of the Product. Loose plaster, structural cracks, etc. need to be repaired as per standard construction practices.
 - v. One coat of Birla Opus Style Pro Hide Primer/equivalent Birla White Interior Primer is to be applied as an under coat, followed by two coats of Birla Opus One Pro Smooth Putty/equivalent Birla White Putty followed by one more coat of Birla Opus Style Pro Hide Primer/equivalent Birla White Interior Primer and finally, a minimum of two coats of the Product need to be applied (as per recommended application method).
 - vi. The final coverage post usage should be 7.43-9.29 sq.m/kg (80-100 sq.ft/kg) for two coats of the Product.

2. Warranty Terms & Conditions

PLEASE NOTE THAT THIS WARRANTY IS SUBJECT TO THE TERMS & CONDITIONS MENTIONED HEREUNDER AND THE ABOVEMENTIONED APPLICATION GUIDELINES.

2.1. Start and Registration of the Warranty

- a. This Warranty shall be effective from the date of purchase of the Product as per the tax invoice (“Warranty Start Date”), provided that painting work is fully complete, and the Consumer registers the Product for warranty.
- b. The Product must be registered within 15 days from the date of purchase by calling customer care at 1800-120-1234 or *logging on to the Birla Opus website and following the URL <https://www.birlaopus.com/warranty>* and furnishing purchase details as required for the Warranty registration.

- c. The Warranty shall be valid for parameters and period as provided in Para 2.2 (*Warranty Scope and Replacement Costs*) from the Warranty Start Date.
- d. The Warranty shall apply to the overall paint system (including undercoats) for which the Product is applied as the topcoat.
- e. Upon settlement of any claim, Warranty of replaced Product will not start afresh, and will continue for the remainder of the Warranty Period from the Warranty Start Date.
- f. If there is a break/ lag in completing the painting work, the registration of the Warranty and Warranty Start Date and shall be determined by the Company at its sole discretion.
- g. The Company may appoint a person to examine and confirm the application of the Product as per the directions specified prior to registering the Warranty.
- h. For registering of Warranty, where quantity of Product purchase is equal to or more than 200 kg, please call our Helpline on 1800-120-1234 with requisite details. The registration of Warranty in such cases is subject to a satisfactory pre-inspection at site by the Company's representative.

2.2. Warranty Scope and Replacement Costs

- a) Warranty is applicable only in case where the total volume of Product purchased is 20 kg and above and its usage exceeds 90% of purchased volume, along with purchase of the requisite volume of undercoats (primer and acrylic putty) as required to be applied as per Application Guidelines. The Warranty is subject to the following scope:

Sr. N	Warranty Period	**Warranty Scope/ Parameters	*Replacement Costs to be borne by the Company
1	12 months	Film endurance, shade retention	100% Replacement Costs

**Replacement Costs shall mean the cost of material of the entire system and labour required to correct the affected areas, as determined by the Company.*

***Definitions of Warranty Parameters*

Film endurance- Film endurance refers to the ability of the paint film to remain on the surface and perform its functions, when applied as a recommended system, (Primer + Putty + Primer+ Product) and represents durability of distemper, in indoor living spaces observed on minimum continuous area of 1.85 sq.m (20 sq.ft) on interior painted surface.

Shade retention- Shade retention refers to ability of the Product to prevent gradual loss or alteration of colour resulting in uneven shade fading across the surface caused solely due to paint quality issue, as observed over minimum area of 1.85 sq.m (20 sq.ft) on one continuous painted surface.

2.3. Warranty Claim Procedure

- a. Consumer may raise a claim within 30 days of discovering issue(s) noticed on the affected areas based on Warranty Scope/Parameters as detailed in Para 2.2.
- b. The Consumer is required to notify the Company of the issue(s) noticed along with reference of the registered Warranty, sample pictures and basis for Warranty invocation by

- contacting the customer care at 1800-120-1234. The Consumer shall provide such additional details as required by the Company and/or allow the company to visit/inspect the painting site.
- c. In case where the Company decides that the Warranty is applicable on the issue(s) noticed on the affected areas, the Company shall bear the Replacements Costs as detailed in Para 2.2 only on the affected areas.
 - d. In case where the Company decides that Warranty is not applicable, the same shall be communicated to the Consumer.
 - e. Warranty is applicable only to the affected area where the Product is used in accordance with the Application Guidelines and not to the rest of the areas.
 - f. In case the Consumer carries out repair works on the areas covered under the Warranty, the same shall be at their own risk and the Company's Warranty on the Product shall not be valid on such repaired areas.

2.4. Warranty Exclusions

The Warranty will cover only manufacturing defects of the Product and will not cover any defects arising out of factors not in control of the Company, including but not limited to:

- a. Constant water dripping, water leakage or continuous dampness in the wall/ terrace/ roof
- b. Efflorescence
- c. Lime blooming
